

Rangimārie Bush Centre

Workshop Facilitators - Information

Rangimārie Bush Centre (RBC) is available for facilitators to run retreats or workshops. Bookings must be made in advance via the RBC Booking Form. We will collaborate with you to finalise workshop details on the Meal and Facilities Plan.

We are in a beautiful location, much loved by all who visit. The 'other world' feel of the workshop area is partly due to being on the other side of a pretty stream. We, and most of our visitors, see this as adding to the adventure and fun of the site! However, you know your activities and participants. We strongly recommend that you visit Rangimārie Bush Centre yourself, free of charge, to spend a night in our cabins and see how your workshop would operate. Open days are advertised on www.rangimariebushcentre.co.nz/events.html

Food is provided by RBC according to participant numbers and dietary requirements specified by you. Food can be prepared and cooked by RBC staff, or we provide food and instruction for participants to cook on open fires and rocket stoves, as specified on your Meal and Facilities Plan.

We provide:

- Use of all RBC facilities for your workshop activities and social time, including cabins, toilets and showers, barn with indoor meeting space, sheltered kitchen bay, barn yard and fire pits.
- Use of large flat paddock for group activities, games.
- Two swimming spots for wading and swimming.
- Bush areas for walks, meditation, foraging.
- At least one RBC staff member on duty during your course, first aid qualified and police checked.
- Hearty, homecooked food according to your booking specification.
- RBC images for you to promote your course, plus we will promote on our web and Instagram.

We do not provide:

- Tuition or supervision of your activity, except by prior agreement eg. teaching your participants to cook on open fires and rocket stoves.
- Management of bookings, payments and communication with your course participants.
- There is no cellphone and no wifi on site. There is access to phone for emergency use.
